

Wind River

OUTDOORS RV MANUFACTURING

Situated in a picturesque mountain valley of Eastern Oregon a new RV company is born. The focus of this company is to design RV's for the NW and Western Canada, merchandise the products with a hand selected group of dealers with the end goal of having our customers enjoy an Outdoor experience like no other.

The NW and Western Canada will be the targeted area for the products produced here. This area has an incredible percentage of people that enjoy the RV lifestyle and why wouldn't they with the Outdoors right outside most people's backdoor. Our goal is not to be the largest manufacturer in the country nor follow market share graphs. We simply want to design and build great RV's. The management team for this new RV company has over 160 years of combined RV experience.

Here are a few examples:

Jim Croxton – General Manager (26 Years)
Darin Nelson – Sales Manager/US Sales (17 Years)
Rod Glass – Canadian Sales Manager (24 Years)
Robin Larsen – Training/Sales (19 Years)
Rick Ewing – Service Manager (31 Years)
Terry Fischer – Production Manager (30 Years)
Paul Christensen – Purchasing Manager (34 Years)
Rick Hudson – Asst Production Manager (26 Years)
Karen Evans – Sales Administrator (8 Years)

We look forward to producing an excellent product for you and your family to use in the Outdoors – please feel free to visit us anytime – we would love to meet you!

OUTDOORS RV MANUFACTURING

"Follow the Wind to Your Dreams"

...with one look at the inside of a WindRiver you will see that the term Luxury-Lite home away from home fits perfectly. From the Italian designed tile flooring, halogen ceiling lights, and stainless steel appliances ...the Outdoors with family and friends will feel just like home!

2702BS Bunk Design

Large oversized rear bunks (top bunk is rated at 350 lbs) so your family & friends can enjoy the Outdoors right along with you... the bottom bunk lifts up and out of the way for an amazing storage area for bikes, golf clubs, kayak's, etc. The 2nd entry door opens up perfectly to load and unload this storage area, plus makes for an excellent in an out for the kids to use the bathroom while the adults are enjoying a movie, playing cards, or cooking lunch/dinner in the living room/kitchen!

THE BEDROOM – Individual bullet reading lights, pillow top mattress, bedroom pillows, and the residential style headboard keep up the luxury theme after an incredible day in the Outdoors! You will be thanking the pillow top mattress for days...so many RV manufacturers take this feature for granted...not Outdoors RV Mfg – we are active users of the products we produce and this was just one more feature we all felt was extremely important to put in all of our units!

270RLDS – Dual slide-outs and a huge rear picture window...luxury features abound here...comfort suede sleeper sofa, two tone day & night shades, bullet reading lights, halogen ceiling lights, 32" Power Up & Down LCD TV with Home Theater, and the list goes on...notice the carpet design...today's RV buyer is wanting less and less carpet to clean...we put just enough down for comfort at the dinette and sofa and make sure the traffic areas are open and easy to clean!

THE BATHROOM the WindRiver does not take shortcuts even in here...notice the built-in wooden medicine cabinet, bathroom hairdryer, porcelain toilet, brushed nickel residential style glass shower enclosure, and comfort air upgraded ceiling fan...full function bathroom is an understatement!

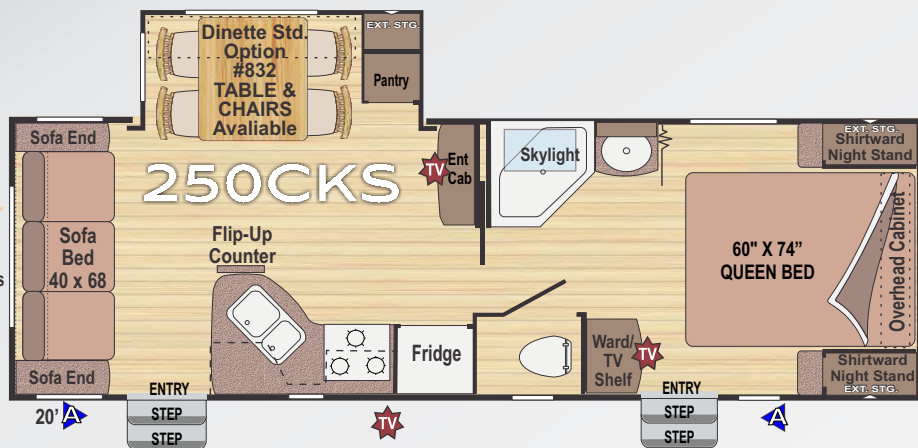

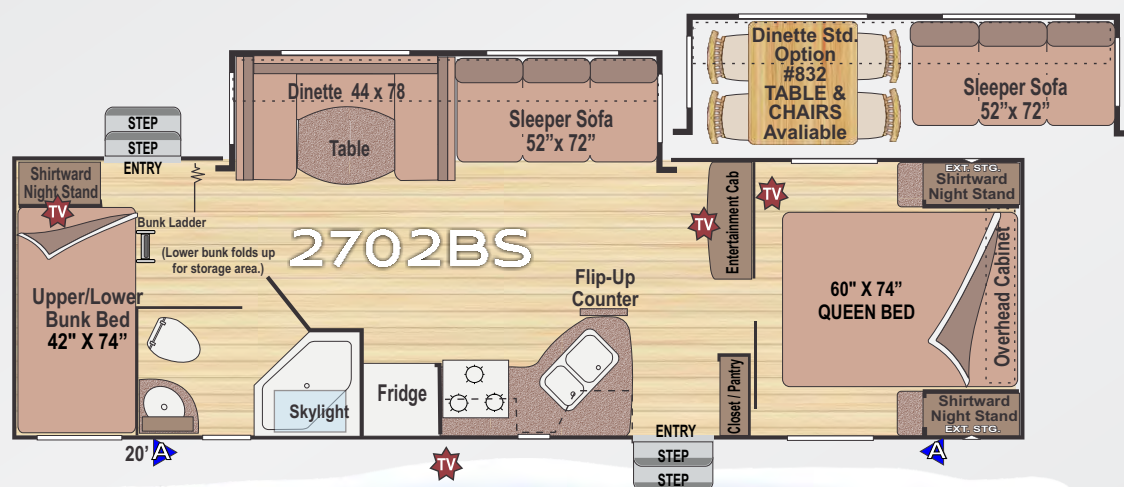

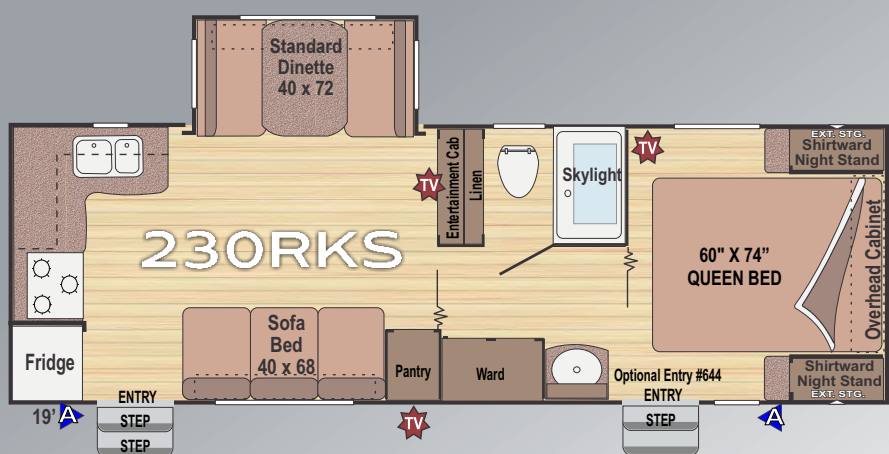

THE KITCHEN – Stainless steel appliances, 22" sealed burner range, pot & pan drawer, XL fridge, metal full extension drawer guides, stainless steel touchless garbage can, and the list goes on...

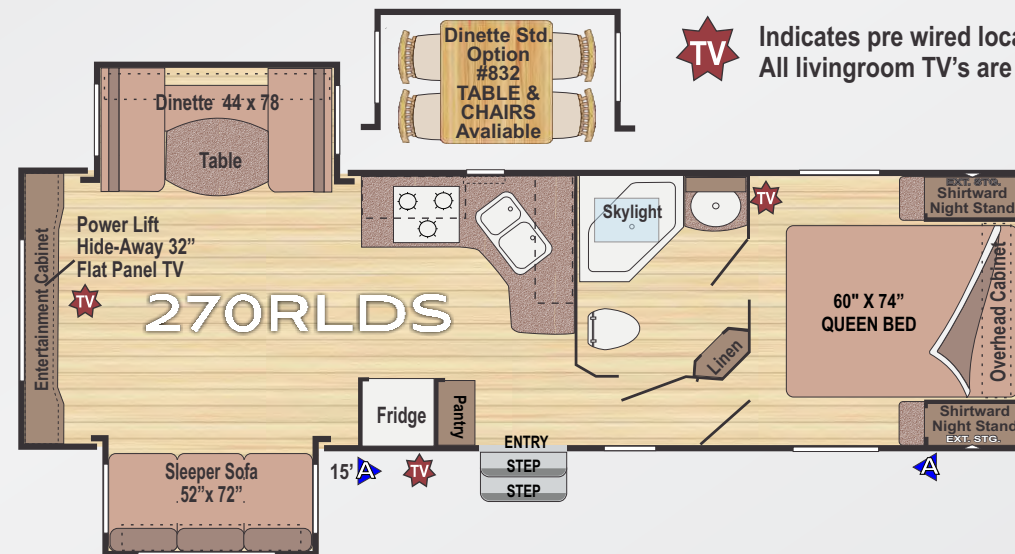

...also notice the gourmet kitchen cabinetry and picture window...no more bending down to look out the window...the reason we all go camping is to enjoy the Outdoors and now while preparing meals for the family the Outdoors is right in front of you! **THE DINETTE** – the WindRiver 270RLDS is built with a full-sized U-Shaped Dinette that is perfect for meal or game time for the entire family...

Length' Indicates full length electric awning w/rain dump arm.

Indicates pre wired locations where TV's can be installed. All livingroom TV's are standard 26" LCD flat panels

*All dry weights are calculated on full featured production units
*Verify the towing capacity of your tow vehicle. If you don't know or aren't sure, you can ask your automotive dealership or contact your tow vehicle manufacturer.
*All weights above are average approximations and may vary. Weights are calculated before adding options.
*Specifications are subject to change without notice.

Welcome to the Outdoors!

FOUR SEASONS

Standard on All Models

In a 4 Seasons Outdoors RV, the entire chassis is enclosed from front to back for both insulation and protection from road debris.

We use Astro-foil (R-15) insulation along the entire length of the floor. Plus an additional wrap around the holding tanks.

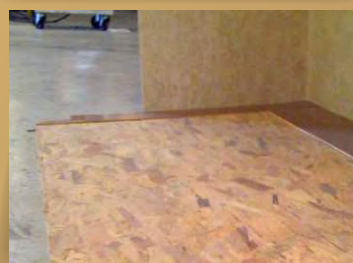

The Industry Camping Standard:

The Industry Standard: Holding tank dump valves are not enclosed and are exposed to freezing.

The Industry Standard: A single layer of insulation.

The Industry Standard: No insulation in the slide out floors.

The Industry Standard: Cold and Drafty, Not Designed for Northern Climates

The Outdoors RV Camping Standard:

The Outdoors RV Standard: Our Dump Valves are located within the Enclosed / Heated underbelly to protect them from freezing.

The Outdoors RV Standard: Insulation is double layered for added protection.

The Outdoors RV Standard: The entire slide out floor is covered with Astro-Foil / R-15 Insulation.
